The Rev. Reverend Dr. Janet Newman, Interim Minister

Spring, 2015

Dear Professional Colleagues in our UU Faith,

Last June the Director of Religious Education at the UU Church of Nashua retired after 29 years of service here. The new position of Interim Director of Lifespan Religious Education was ably filled during 2014-15 by Meredith Olson.

Meredith decided not to accept the option in her contract to take a second year with the UU Church of Nashua, and so now the congregation seeks another Interim professional for 2015-16, again with an option to extend for a year. The long-anticipated newly called minister, whom we expect will begin here in August, will have input into the extension decision.

The Interim Director of Lifespan Religious Education we seek will lead the Religious Education Committee, the Youth Advisors, and the Spiritual Development Committee, all of which did well under Meredith's leadership. The new Interim will work with the new minister and will continue to develop programs for lifelong learning for children, youth, young adults, and adults.

At this point we offer a full-time position with all UUA-suggested benefits. The salary will be appropriate for the mid-size two congregation that the UU Church of Nashua has recently become.

If you have questions about the position that you would like to discuss with me, please email me at intminjen@aol.com and we can set up a time to talk.

I believe that this congregation is set on a path of excellence in spiritual development for all ages; it is an exciting prospect.

Faithfully,

Janet Newman, Accredited Interim Minister
